Mayor Clark said board has 2 choices to either invest money in Dixon or purchase a new mower. Trustee Hancock was concerned with the price and future repair and maintenance expenses would come with a John Deere mower. Mayor Clark was told by Brad that Husqvarna parts were hard to come by. Trustee Summers asked the age of the John Deere that the Village currently owns? Village employee Bill Manuel said it was a 2001 John Deere and had approximately 700 hours on it. Motion made by Carl Klingler to purchase the John Deere in Newton for a cost of \$4,473.12. Seconded by Gary Ulm. Roll Call Vote Taken, All voting Aye with exception of Randy Hancock voting no, Motion carried. Trustee Hancock read literature on description of John Deere and it was a stamped steel reinforced deck and thought a good steel deck mower would cost approximately \$10,000.00. Mayor Clark will accompany Village employee and asked any board member to come along to check out mower and if it is a good mower will purchase and if not did not have to fulfill deal.
